Varsity/JV Level: Team Expectations

Volleyball Games and practices are held during summer vacation, holidays, and on weekends. You cannot miss any practices or games before school starts.

Your in season school sport comes first. If you are in a league, open gym, whatever for another sport, please do not let it affect your volleyball season or a volleyball match. Participation in another outside team or activity (AAU, recreational activities etc.) is not an acceptable reason to miss a volleyball practice.

Social Activities are not an acceptable reason for missing practices.

Please work to plan social events around the practice/team and tournament schedule.

Please communicate with your coach ASAP if you have a family or school conflict.

****College Recruiting Visits Included****
