

## Baldwinsville Girls Volleyball Booster Club Minutes

December 12, 2024

Start Time 6:12pm

Attendees: Danielle Adams, Jill Offredi, Mandi Dixon, Coach Sayler, Shannon Diep, Stephanie Robinson, Veronica Connors, Diane Davenport

Mandi started off the meeting discussing the Modified teams celebration. We would order pizza for the event. Coach Sayler will check with Coach Mo on a date. Also we discussed when to have the raffle drawing, the Red/White game on 12/18 or after the break? Coach Sayler will reserve the space for the celebration at Ray.

We discussed some takeaways from the banquet:

- Thumbtacks with knobs on them to secure items
- Photobooks are a big hit with Seniors and Coaches
- Seniors still love the blanket, but prefer a fuzzier one.

Mandi then discussed some items:

- We will stop the Ad Campaign in book form. However we will adjust it to be on a banner style that we can display at our home games for both Varsity/JV and modified as well as the tournaments.
- We should have a contact to get Shannon Phelps pictures and keep the website updated. Especially with the Ad Campaign, there should be a point person for that.
- We agreed that the Black Background for the Senior Banners turned out really well.
- We will all be going through the Bylaws and Schedule that Mandi provided us to see if we need to make any changes or tweaks. That way we are ready for the next president.

Coach Sayler discussed:

- Open Gyms would start next week
- Club is a go for travel (13,14 maybe 15)
- Tournament is a go for next year it will be either Baker or Durgee

Jill went through the Budget. No one had any questions or concerns.

We will be voting for incoming officers at the next Meeting which will be March 11, 2025 @ 6:00pm at the Public Library.

We agreed to start the year off using Heja. The families seemed to appreciate it. It was also agreed to not use Evite for the banquet invitations.

Meeting ended at 6:54
