- We decided to go with 12/8 as the date
- Pasta's on the Green is the venue, we asked if anyone had any connections or ideas for a different venue but they didn't. So Mandi will call to check availability and to book it if possible.

### **Website**

- Mandi will email the new photos that she has of the individual players along with the team. She will also provide the new schedule. She will send this all to Shannon Phelps to update the website.

### **Store**

- Was not as successful as we had hoped. Some feedback that we had was not a lot of options. Also nicer items were too expensive. Maybe look at changing it up some for the modified.

### **Dig Pink**

- 10/15 Coach Saylor will advise the team we are playing regarding the Dig Pink.
- Girls will wear their pink jerseys.
- We will get the following:
  - Laces

- Maybe a 50/50 raffle

### **Hype Video**

- Jill reached out to Jace Ordway and he said that he can go to 1 practice and 1 game and get some footage of the girls. He will then put together a video and he charges \$250. We can then post on our website or social media accounts.

**Chick-Fil-A** night is 9/26

The last topic that was discussed was the AED situation. We all understand if we have to buy one we will. However we are looking for a more organized approach and have a lot of questions regarding the purchasing, upkeep and regular storage of the device. Mandi will send an email to the district to see if we can set up a meeting to get more clarification on this.

The meeting ended at 8:32
